Attendance

Our Target is 96%.

Actual is 94%

Please send your child to school every day if they are well. They can come in with a cold. They should stay at home with a sickness bug for 48 hours.

Dear Parents and Carers,

This Friday the school will be celebrating Earth Day.

Earth Day is an annual event dedicated to raising awareness and inspiring action to tackle the various environmental challenges facing our planet. This day is also a time to celebrate those who have done a lot to help the environment.

Our classes have a range of activities lined up for this event such as; litter picking, gardening, artwork and making models using recycled materials.

We hope this day will give our children the opportunity to think about their role in helping to protect the planet.

Teachers Strike Days

As you will be aware from the national media, the UK's largest Teaching Union, the National Education Union (NEU) has announced 2 days of industrial action for all its members.

The NEU has further strikes planned for:

- **Thursday, 27 April**
- **Tuesday, 2 May**

We will of course inform you if your child's class is going to be affected.

Enjoy your weekend,

Belynda Fellows

Headteacher

STOP IT—I DON'T LIKE IT!

We use this phrase to tell our friends if they are doing something we don't like.
